

“Prayer and Praise For All Humanity At the Harvest”
Psalm 67

Four Profiles of Proper Prayer and Praise Regarding Humanity:

- I. Your praying and praising God begins by understanding that in Jesus Christ all mercy, grace and blessing has been literally poured on us!

- II. Your praying, in order to be in harmony with God’s work and plan, must be globally focused.

- III. Your cry for God’s mercy, grace and blessing must extend beyond ALL barriers (political, socio-economical, geographical, racial, linguistic, cultural) to ALL people.

- IV. Their cry (of the nations) will ultimately become the global, harmonious praise of God.
