"Rebellious People, Faithful Lord"

Isaiah 64

[*Pew Bible p.554*]

As the people of Judah anticipate the coming Babylonian exile, Isaiah both comforts and challenges them by reminding them of several timeless traits of God.

Three Timeless Traits of God…

I. **He is absolutely without equal.**

II. **He must respond to sin.**

III. **He rescues us for His own glory.**

These traits of God should motivate us to:

- Call on Him
- Repent
- Give Him the glory He deserves
