

In this chapter, Paul deals with known sin in the church and the necessity of dealing with it to preserve the testimony of the church.

I. **The Problem - Fornication** vv.1-5

- A. There was an indifference to the sin that was known
- B. There is an instruction to deliver the sinner to Satan

II. **The Principle – Corruption Corrupts** vv.6-8

- A. The need to cleanse thoroughly
- B. The need to consider Christ and the Passover

III. **The Practical Application – Separation is Essential** vv.9-13

- A. Recognize the danger
- B. Remove the temptation
