JUDGEMENT BY THE SAINTS

I Corinthians 6:1-11

Introduction

Having dealt with sin in the church Paul addresses the next problem, that of Christians taking other Christians to Court.

- I. The Requirement 1
 - A. No litigation in the courts
 - B. Civil matters to be settled in the church

- II. The Reason 2-8
 - A. Our status – we reign with Christ (We will judge the world and angels)
 - B. Our spiritual attitude – the eternal is more important than the temporal

- III. The Reality 9-11
 - A. The exclusion of unbelievers from the Kingdom of God
 - B. The experience of believers making them part of the Kingdom of God
 - 1. We are washed
 - 2. We are sanctified
 - 3. We are justified
